

ICP2020
13-16 JULY 2020
TURKU FINLAND

**XXX INTERNATIONAL
CONFERENCE
ON POLYPHENOLS**

Dear Colleagues,

On behalf of the Groupe Polyphénols and the organizing committee, it is a great pleasure to announce the XXX International Conference on Polyphenols (**ICP2020TURKU**) in Turku, Finland on 13-16 July 2020.

Turku is one of the most historic cities in Finland and we are honoured to make the 30th anniversary ICP a memorable and cutting-edge Conference. The ICP2020TURKU will cover recent advances of all aspects of modern polyphenol research with a special emphasis on these topics:

- Structure, reactivity & synthesis
- Bioactivity & bioavailability
- Metabolomics, targeted analysis & big data
- Quality control & standardization
- Biogenesis and functions in plants & ecosystems
- Biomaterials & applied sciences

The scientific program includes **14 invited plenaries** and over 60 selected talks together with poster sessions. PhD students and postdocs are given special opportunities in young scientists sessions with 36 talks. All talks and poster presentations will be published as **Polyphenols Communications** with a citable ISSN number.

Social events will offer a Welcome Reception at the University Hill and a unique Gala Dinner in the medieval Turku Castle, including the tour of the castle. Conference participants have the possibility to choose from multiple evening activities during the Conference and have **special holiday options** both before and after the Conference.

We cordially invite you to join us and present your cutting-edge research results at the ICP2020TURKU. **Free pre-registration** is now open for you to receive all the latest information. See also how you can save up to 300 € in **registration fees**, if you follow the **important dates** and join the **Groupe Polyphénols**.

You may also follow the Conference updates via **Twitter** and **Instagram** at #icp2020turku.

We are looking forward to seeing you at the ICP2020TURKU in Finland. Feel free to circulate this announcement and the attached advertisement to everyone interested in the fascinating world of polyphenols!

Prof. Juha-Pekka Salminen
President of the Organizing Committee of the ICP2020TURKU
Natural Chemistry Research Group, University of Turku, Finland
