

ICP2020
13-16 JULY 2020
TURKU FINLAND

**XXX INTERNATIONAL
CONFERENCE
ON POLYPHENOLS**

Dear Colleagues,

On behalf of the Groupe Polyphénols and the organizing committee, it is a great pleasure to send you the 2nd announcement of the XXX International Conference on Polyphenols (**ICP2020TURKU**) in Turku, Finland on 13-16 July 2020. To see the 1st announcement once more, please click [here](#).

ABSTRACT SUBMISSION SYSTEM HAS BEEN OPENED

The scientific committee will use your 1-page abstract (max. 300 words) to distribute the oral and poster presentations between the **main topics of the conference**. Read the **instructions for the abstract** and send the abstract to us by 31 January 2020.

OVER 60 CHANCES FOR ORAL PRESENTATIONS

The scientific program includes **14 invited plenaries** and over 60 selected talks together with poster sessions. PhD students and postdocs are given special opportunities in young scientists sessions with 36 talks. All talks and poster presentations will be published as **Polyphenols Communications** with a citable ISSN number. The submission of the final 2-page Polyphenols Communications manuscript can be done once your 1-page abstract has been accepted.

FREE PRE-REGISTRATION IS OPEN

You can officially **register** for the conference once your abstract has been accepted. For now, we have opened **free pre-registration** for you to receive all the latest information of the conference.

SAVE UP TO €300 IN REGISTRATION FEES

We have affordable fees for PhD students, since we want to enhance their possibilities to participate the ICP2020TURKU. Other participants can save up to €300 in registration fees by joining the **Groupe Polyphénols** and paying the **registration fee** by 1 May 2020.

PLAN YOUR STAY AT TURKU

Turku is one of the most historic cities in Finland and we are honoured to make the 30th anniversary ICP a memorable and cutting-edge Conference. We organize a unique Gala Dinner in the medieval Turku Castle, including the tour of the castle. Conference participants have the possibility to choose from multiple evening activities during the Conference and have **special holiday options** both before and after the Conference.

FOLLOW THE CONFERENCE UPDATES IN TWITTER AND INSTAGRAM

You may also follow the Conference updates via **Twitter** and **Instagram** at @ncrg_utu or #icp2020turku.

We are looking forward to seeing you at the ICP2020TURKU in Finland. Feel free to circulate this announcement and the attached advertisement to everyone interested in the fascinating world of polyphenols!

Prof. Juha-Pekka Salminen

President of the Organizing Committee of the ICP2020TURKU

Natural Chemistry Research Group, University of Turku, Finland
