

INVITATION TO EXHIBITION

The **XXX International Conference on Polyphenols**, the 30th anniversary conference, will be held 13-16 July 2020 in Turku, Finland at the University of Turku. The Organizing Committee warmly invites you to take part in the commercial exhibition arranged in connection with the conference, or to participate as a sponsor. We anticipate about 400 scientists working in the field of modern polyphenol research to participate from around the world. The main topics include structure, reactivity & synthesis, bioactivity & bioavailability, metabolomics, targeted analysis & big data, quality control & standardization, biogenesis and functions in plants & ecosystems as well as biomaterials & applied sciences.

The exhibition will be open during the conference hours and located by the lecture halls and poster area. The coffee breaks will take place in the exhibition area.

We offer the following exhibition stand and sponsoring options:

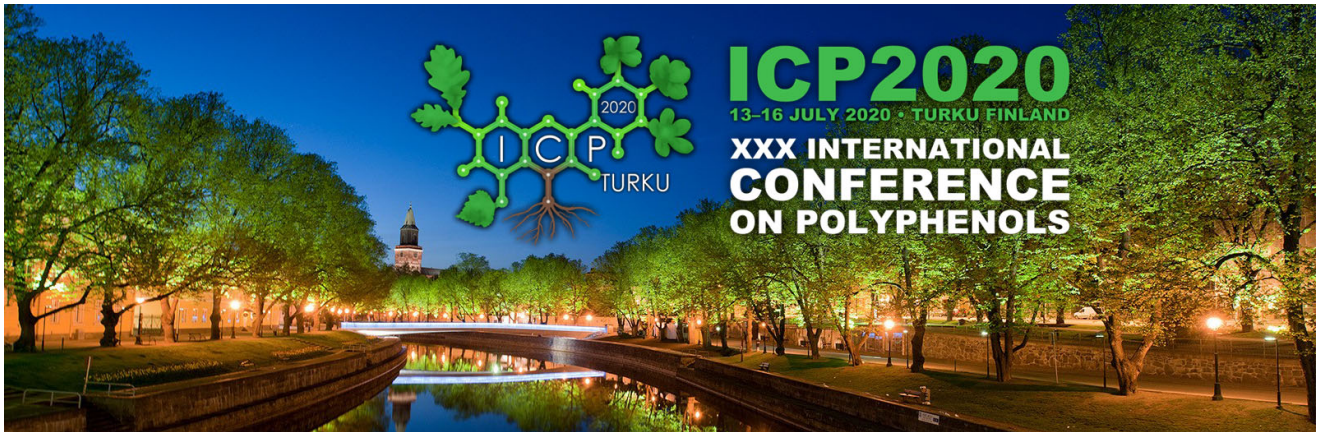

Exhibition stand: 2000 EUR

- exhibition space* 2.5 m², one table, chair(s), electricity, wifi
